

Welcome In Cars Inventory Management System Presentation

Project Team :

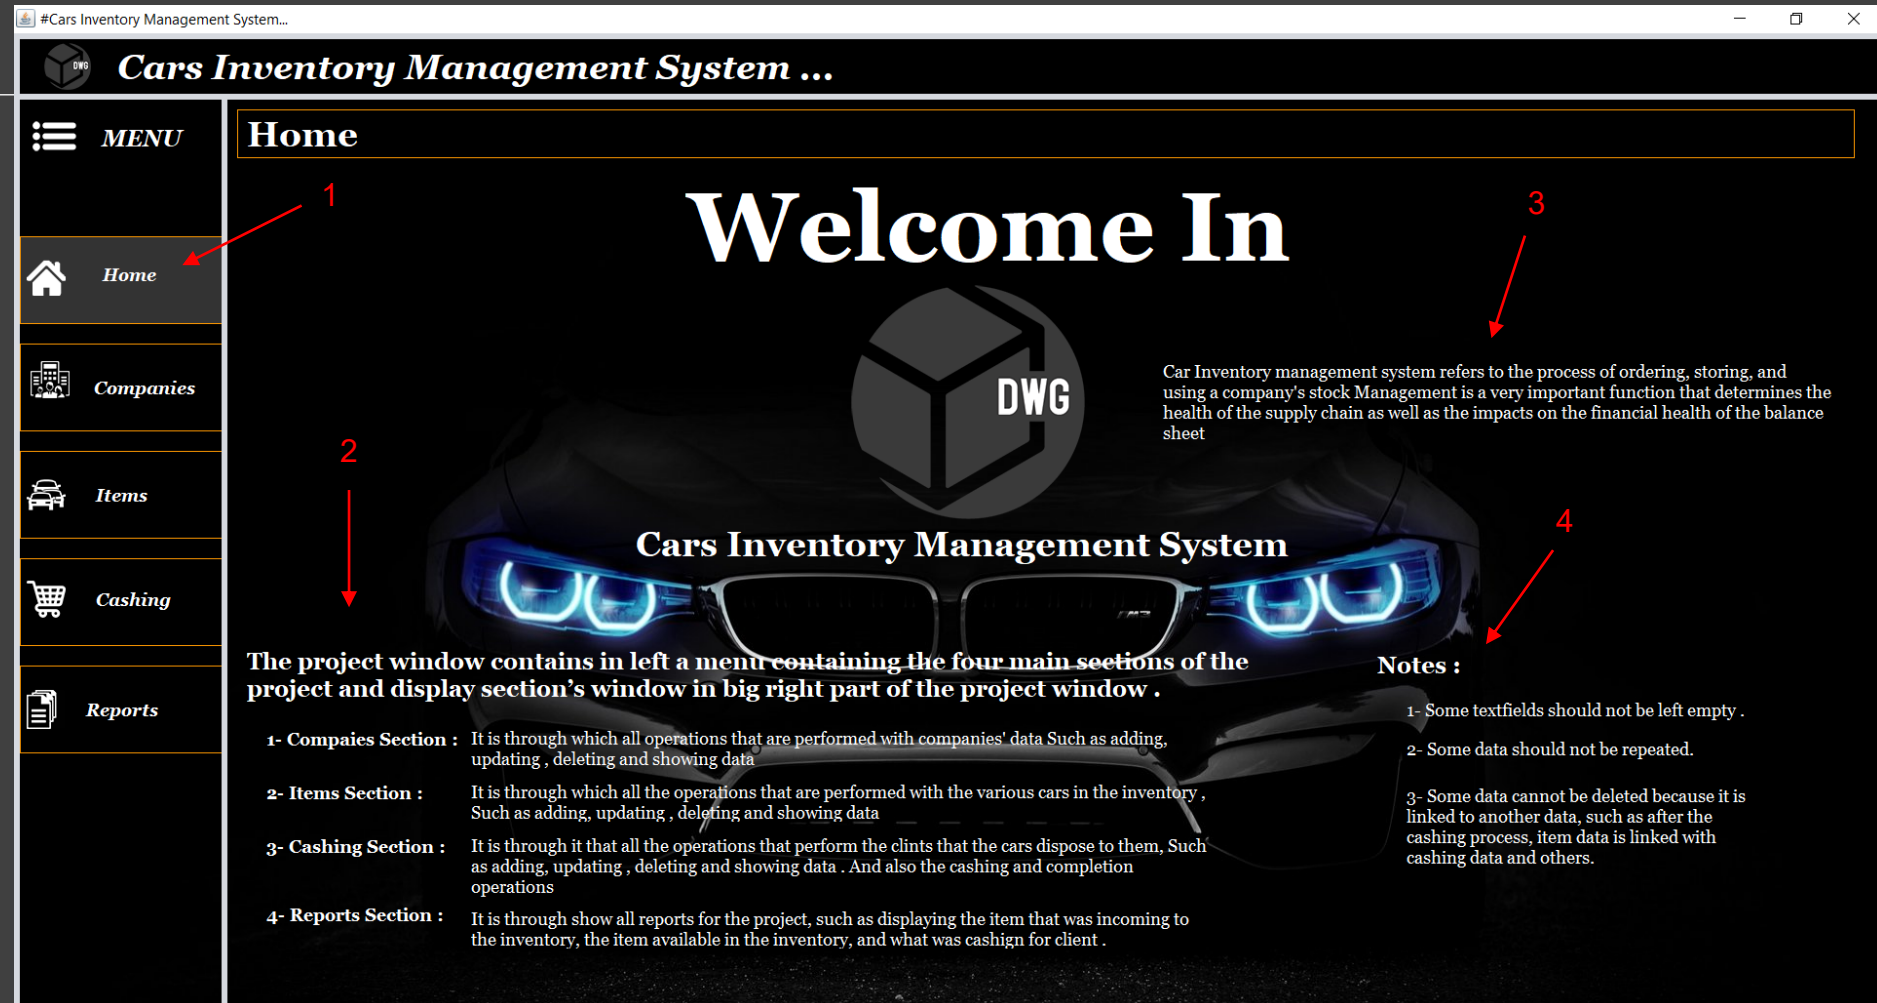

- ❑ Hazem Refai Mohammed Refai
- Ahmed Samer Eid Abd Elhamed
- Ibrahim Musa El-Syed Sweilem
- Eslam khaled Soliman Gad
- Hazem Tarek Mahmoud Elsabbagh

This presentation will show you the detailed parts of the program and how each part works in the following slides ...

This page is the interface of the program (Home page)

- **Home page** displaying automatically when you run the program.
- Can you get this page by press on Home button [1].
- In home contain the main pages in program [2], small description [3] and some notes [4].

This page is the second page of the program (companies page)

- Can you get this page by press on Companies button [1].
- Companies page contain : 5 textfields [2] to enter the data in , 5 buttons [Add button[3] , Update button[4] , Delete button [5] , Clearfields button [6] ,Show button [7]] and Table [8].

The screenshot displays a web application titled "#Cars Inventory Management System...". The interface includes a sidebar menu with options: MENU, Home, Companies, Items, Cashing, and Reports. The main content area is titled "Companies" and contains a form for adding or updating company information. The form fields are labeled: Comp_id, Name, Address, E-Mail, and Phone. Below the form are four buttons: Add, Update, Delete, and ClearFields. To the right of the form is a grid of car brand logos. Below the form is a table titled "Table Of Info" with columns: Comp_id, Name, Address, and Phone. A "Show Comp" button is located at the bottom right of the table. Red arrows and numbers (1-8) highlight specific elements: 1 points to the "Companies" menu item; 2 points to the form fields; 3 points to the "Add" button; 4 points to the "Update" button; 5 points to the "Delete" button; 6 points to the "ClearFields" button; 7 points to the "Show Comp" button; and 8 points to the "Phone" column header in the table.
